FLAMES WIPE OUT MISHICOT TAVERN—Early this morning a $20,000 fire wiped out the tavern and upstairs apartment of Wencel Oswald, of this city, World War II veteran, at Mishicot. Fire departments from Mishicot, Tisch Mills, Rockwood and Two Rivers battled the blaze four hours. Picture at left shows the front of the tavern. The other picture, taken from the rear, shows the partially collapsed side wall. Firemen were able to prevent spread of the fire to adjoining business places in the village. (Herald-Times photos)
